L.R. 45-T.R.79-15. Appointment of Special Judge

A. If a motion for change of Judge is granted in a case or an order of disqualification is entered in a case, and a special judge is not appointed and qualified as provided in Trial Rule 79(D), (E) or (F), a special judge shall be appointed from the attached lists of eligible persons on a rotating basis.

B. Each eligible person shall have the option to be removed from or remain on the attached lists or, if omitted, the option to be added to said lists.

C. This rule shall have no application to the selection of a special judge in a Post Conviction Relief petition. The rules of Criminal Procedure and the Local Rules of the Lake Superior Court, Criminal Division, shall apply in said instance.

D. The lists of eligible persons shall be maintained in the office of the Lake Superior Court Civil Administrator (Administrator). When it becomes necessary to select a special judge from said lists, the following procedure shall be followed:

1. The judge who submitted the panel from which the special judge did not accept the appointment shall immediately contact the Administrator for the name of the next available person. The Administrator shall provide a name from the attached lists on a rotating basis beginning with the first name on the list for the particular case category.

2. The selected person appointed to serve under this local rule must accept jurisdiction unless disqualified under circumstances set out in the Rules of Trial Procedure 79(H). The order of appointment by the regular judge shall constitute acceptance. An oath or additional evidence of acceptance is not required.
